Brighton & Hove Clinical Commissioning Group Healthcare Formulary

The link below is to the healthcare formulary in use across the Brighton & Hove CCG and should be consulted when initiating medication for inpatients needing physical health medicines. Use the Trust's own formulary for drugs used to treat mental health and substance misuse conditions. Link:

Please note – because the inpatient pharmacy service is provided by the Western Sussex Hospitals NHS Foundation Trust, which sits in the Coastal West Sussex CCG locality, they may not stock all drugs listed in this Formulary. Get advice from pharmacy on how best to deal with this.
