Ward/Unit Visits:

We aim to visit all acute inpatient units at least once a week, either to attend ward rounds or to provide clinical and prescription checks. However, actual frequency of visits varies across localities. If you wish to discuss the pharmaceutical care of any of your patients or simply require general information on Medicines Management, please contact us on the numbers above.

Pharmacy – Medicines Supply Services:

Western Sussex Hospitals NHS Foundation Trust pharmacy department is contracted to provide a pharmaceutical supply service to units and teams of Sussex Partnership NHS Foundation Trust.

The supply service is provided from:

- Worthing Hospital for Worthing sites, Brighton and Hove, East Sussex and North West Sussex sites.
- St Richard's Hospital for Chichester sites only.

Please contact your local pharmacy team in the first instance (as overleaf). For all other orders, please scan and email as detailed below.

Worthing Hospital

Monday to Friday:	8.30am to 5.00pm

Saturday:	10.00am to 12.00pm (noon) for supply of urgent items only
Sunday:	10.00am to 12.00pm (noon) for supply of urgent items only
Bank Holidays:	10.00am to 12.00pm (noon) for supply of urgent items only

☎ 01243 831518

✉ srhpharmacy.prescriptions@nhs.net

Clozapine Service:

A dedicated team provides clozapine supply, support and advice for all patients across the Trust receiving treatment with clozapine. The service operates Monday to Friday 8.30am to 5.00pm.

☎ 01273 446091

✉ wshnt.pharmacyclozapine@nhs.net

Please note that although Worthing and St Richard's dispensaries do not close until 5.00pm, they have earlier order cut off times so that transport deadlines can be met. Not all orders will be delivered on the same working day and delivery of orders to off-site units may take longer. Please check the cut-off and delivery times for your area / unit.

Pharmacy – On Call Service:

From 1st June 2018, the Trust operates an on call service from existing pool of clinical pharmacists. The on call pharmacy service is for urgent requests for advice and supply only. Therefore please ensure your call is of an urgent nature. The on call pharmacist will provide advice on obtaining medicines out-of-hours or general clinical medicines advice, dependant on the nature of the call.

The on call pharmacist is contactable on **0300 304 1234** outside normal working hours (after 5pm and before 9am Monday to Friday, and anytime Saturday, Sunday and Bank Holidays).
