

## **You have been referred to the Dementia Assessment Service South Team What Happens Next?**

- **Before you are seen we will require your consent to be referred for and attend an appointment for a brain scan.**
- **Once we receive the report regarding your brain scan you will be invited to a clinic appointment with members of the Dementia Assessment Service South team. You may also be sent some forms to complete before your clinic appointment.**
- **Following your clinic appointment, the team will decide if you require further assessment to aid diagnosis and discuss this with you.**
- **Following your assessment if you receive a diagnosis of a dementia then you may be started on medication which will then be reviewed by a member of the Dementia Assessment Service South team.**
- **Everyone diagnosed with dementia will be offered support from the Alzheimer's Society's Dementia Advisors and Support Workers and a follow up visit from a member of the clinical team.**
- **If you wish to have any further information please contact the Dementia Assessment Service South team on 0300 304 0073**
