

Who is in a Community Learning Disability Health Team?

 <p>Team</p>	<p>There are different professionals in a community learning disability health team.</p>
	<p>You might see one professional or more than one.</p>
	<p>The professionals often work together to help you with your problems.</p> <p>They might work with social workers too.</p>
	<p>This leaflet is about the different professionals and what they do.</p>

Who is in a Community Learning Disability Health Team?
